**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need MORE competition, not less. NOT higher prices. NOT limited choices.

I have had Internet service for 30 years. Over that time, I have used 4 different providers. I currently have service from a small local provider that has given me the best service ever. They also have the best customer service I've ever encountered.

Good access to the Internet is critical for most people today. Please make sure that everyone has a choice of providers and services. Monopolies are NOT what this country needs or wants.
